A. Goals, Objectives & Purpose

The recreation, tourism, and retail sectors provide the Mt. Washington Valley with an excellent employment base. In order to strengthen and stabilize employment opportunities in the Mt. Washington Valley area through a diversified economic base, the RLF is designed to

create and maintain jobs through limited initial financing up to five (5) years. The primary objective will be to assist those companies and businesses which can either retain or expand the employment base.

B. Eligible Activities

Generally, assistance from the RLF can be used for the following, including but not limited to activities related to manufacturing, processing, distribution, mail-order, retail, agricultural operations, service trades, and the wholesaling of Valley-made or assembled products; establishment of new businesses, expansion of an existing business, business acquisitions, construction, purchase/development of real estate (specifically excluding real estate speculation), purchase/improve machinery, and working capital.

C. Loan Selection Criteria

The primary emphasis will be on the following criteria: Job retention and/or job creation, job enhancement, leverage of additional financial resources, demonstration of repayment ability, utilization of job training programs, compatibility of proposed businesses with the overall MWV environment and quality of life. A Loan Review Committee (LRC) consisting of 13 individuals, no more than three of which may be from any one town (Bank representatives are excluded from this criteria), appointed by the Board of Directors with appropriate lending, financial, manufacturing, retail, and service trades criteria and, by majority vote of those voting, recommend to the Board of Directors to accept or reject the application. (amended from 11 to 13 May 23, 2001)

D. Policy Guidelines for the Revolving Loan Fund

1. The prospective borrower and his/her/its business shall be located in one of the following municipalities: Albany, Bartlett, Chatham, Conway, Eaton, Freedom, Hales' Location, Jackson, Madison, Ossipee, Tamworth, and Brownfield and Fryeburg, Maine.

2. It is the intent of the RLF to leverage additional private or public financing, and that the RLF constitute a portion of the entire package. However, this does not foreclose the RLF as the sole lender. All other public or private funds used as leverage in the project shall be fully identified, including the sources, amounts, rates and terms of the additional financing, prospective or committed. Other sources of leveraged funds include, but are not limited to, bank financing, equity investment, the NH Business Finance Authority, NH Business Development Corporation, North Country Investment Corporation, Community Development Block Grant program funds, and venture capital sources.

3. The RLF shall require that each applicant contribute an equity injection for each new business application for which he/she seeks funding.

4. The RLF can be used for real estate acquisition and development (excluding speculation), plant and equipment, reuse of an abandoned building, modernization of a plant and equipment, working capital and additional start up capital for new firms.

5. The target minimum loan size will be \$5,000.

6. The initial term of the loan can range up to five (5) years at a variable or fixed

rate of interest with amortization up to 20 years, if appropriate. The rate of interest charge by the RLF will reflect the need to have a satisfactory rate of return based on current market rate condition at that time.

7. The RLF may utilize financing techniques such as moratorium on principal payments, subordination of its position, balloon payments, etc. in order to address the needs of a particular borrower.

8. The LRC will consider sufficient collateral based on the overall risk characteristics of the loan, and the available assets of the prospective borrower.

9. During the first three (3) years, (1997-1999), one hundred percent (100%) of all interest payments, any fees including late payment charges up to 5% for payments received 15 days past the due date, and profits earned from the sale of loans will be retained by the Mt. Washington Valley Economic Council towards administrative expense and overhead. After the year 1999, this will change to 50% retained for administration and 50% remain with the Revolving Loan Fund. The borrower will pay all costs associated with booking the loan, including all reasonable attorney's fee.

10. While the board recognizes that it may be in the best interest of the Community and the Revolving Loan Fund (RLF) Program to extend or renew loans from time to time, it is fully the intent of the board to keep such extensions and /or renewals to a minimum and, instead, to maximize the benefit of the RLF concept.
